1. General Content

Social Media posts and Website content are informational or promotional in nature. They do not constitute professional advice of any kind — including legal, financial, medical, or travel advice.

Hours of operation, pricing, menus, availability, and other details about businesses, events, and attractions change frequently and may not always reflect the most current information. Always confirm directly with the business or venue before visiting or making plans.

2. Business Listings & Endorsements

Social Media posts and Website content do not constitute endorsements unless explicitly stated. Businesses or events featured on our Services may not have provided direct authorization.

To request removal of your business or event from our Services, contact us at contact@lostactivity.com.

3. Affiliate Disclosure

We may include affiliate links on our Services, earning commissions for purchases made through them. This does not influence our opinions or recommendations — we only feature businesses, products, and experiences we genuinely think are worth your attention.

Where an affiliate relationship exists, we will disclose it in accordance with FTC guidelines.

4. Third-Party Content

Content from third-party sources is shared for informational or promotional purposes only. We do not claim ownership or responsibility for third-party content, nor do we guarantee its accuracy.

If third-party content has been shared on our Services without proper authorization, please contact us at contact@lostactivity.com to request removal.

5. Member Perks & *Drawing*

Bucket List LI Premium discount codes are provided through partnerships with third-party local businesses. We make reasonable efforts to confirm that codes are valid, but we do not guarantee that any business will honor a code at any given time. Each business sets its own terms, restrictions, and expiration dates.

Active Premium Members are automatically entered in our Members-Only Monthly Drawing as a perk of Membership. Drawing prizes are often provided by third-party partner businesses. We are not responsible for the quality, condition, or service of any goods or experiences provided as prizes. Any disputes regarding a prize should be addressed with the providing business, though we will use reasonable efforts to assist Members and winners in resolving issues.

The Monthly Drawing is a Membership perk, not a stand-alone sweepstakes, and is open only to active Members in good standing. Full Drawing details are available in our [Terms & Conditions](#).

Monthly perks, prize values, partner businesses, and Drawing structure may change month-to-month or be modified, suspended, or ended at our discretion. Past examples are not promises of future content or value.

6. Activity & Safety

Outdoor activities, dining, travel, and any activity featured in our guides or content involve inherent risks. You are responsible for your own safety, decisions, and conduct when following or acting on any recommendation from Bucket List LI.

Always research conditions, follow posted rules, respect private property, and use sound judgment. We cannot anticipate or warn against every possible risk associated with the places and activities we feature.

7. Limitation of Liability

Lost Activity, LLC is not liable for any:

- Errors, omissions, or inaccuracies in content
- Damages resulting from reliance on information provided through our Services
- Disputes or issues arising from third-party interactions, businesses, prizes, or discount codes
- Injuries, losses, or damages incurred during any activity inspired by, recommended by, or featured in our content

All content is provided "as is" without warranties of any kind, express or implied.
